Applications for Schengen Visa for Medical Treatment

Dear Applicant,

thank you very much for your interest in visiting the Federal Republic of Germany for medical treatment. The following information is meant to explain the process for the appropriate visa application.

A Schengen Visa entitles the holder to an accumulated **stay of up to 90 days within a period of six months for business purposes** and is valid for **Germany, Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden and Switzerland (Schengen Area)**. The implementation of the Schengen Convention constitutes a major progress towards the free movement of persons. Travellers and residents of the member states have access to the Schengen Area with a single visa or residence permit. The abolition of the internal borders of the Schengen States, however, warrants strict control at the external borders of the Schengen Area.

Please submit your application for a Schengen Visa to the Embassy/Consulate of the country which - considering the length of your intended stay - is your **main destination** among the countries listed above. If no such main destination can be ascertained, please contact the Embassy/Consulate of the country of your **first entry** into the Schengen Area.

If your main destination is Germany and you are residing in Andhra Pradesh, Tamil Nadu or Pondicherry, you have to submit your visa application to the Consulate General of the Federal Republic of Germany in Chennai. Please note that the place of issue of your passport is of no relevance in this regard.

In order to start the application process, please contact any of the German Application Centers in Chennai, Puducherry and Hyderabad managed by "VFS Global Services Pvt. Ltd". Please note that you are required to present a complete set of application documents there for a preliminary check.

After the document check an **appointment for the mandatory visa interview** in the German Consulate General in Chennai will be scheduled. Applications may not be submitted by courier, regular post, fax or e-mail. Please refer to the homepage of the German Consulate General at www.chennai.diplo.de for further information. For its services "VFS Global Services Pvt. Ltd" is charging a service fee of 607 Rupees (incl. taxes) per application. This fee is not related in any way to the visa fee itself.

The German Consulate General requires approximately two working days to process your visa application. In some cases, however, we might need more time due to the necessary involvement of German and/or Schengen authorities. We, therefore, would appreciate it very much, if you could apply for your visa at least 4 weeks prior to your intended date of departure.

The **Visa Fee** is € 60,-. The visa fee has to be paid in Rupees by Demand Draft in the name of the "Consulate General of the Federal Republic of Germany, Chennai" on the day of application. The **Demand Draft** must be payable in Chennai and may not be older than two months. Only Demand Drafts from the Indian Bank, Canara Bank, RBS or Deutsche Bank will be accepted. Demand Drafts with incorrect amounts will not be accepted. Fees cannot be paid in cash. Please refer to the homepage of the German Consulate General at www.chennai.diplo.de in order to find out the current amount of the visa fee in Rupees. Please note that the visa fee is not refundable, even when the visa is refused.

In order to ensure that your application can be processed without delay, please submit the following general documents:

- **Passport** (issued within the last 10 years) with at least 3 months validity after return and two empty pages

Even though a visa might have been granted, Border Control Authorities at the port of entry reserve the right to deny entry into the Federal Republic of Germany. Once a visa has been issued, the purpose of the trip may not be altered.
